

Cómodo was designed as a modern answer for Chloé bed. A square quilting, smaller than the original one emphasizes the minimalist character of the furniture. Additionally, the quilting is enclosed in a wooden, sharp-edged detailed oak frame. The legs of the bed are simple in form, finishing the whole thing. The Cómodo bed promotes relaxing moments.

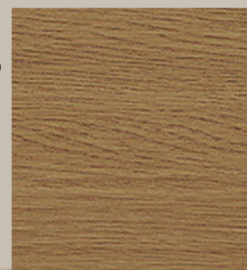

EDA24-293

Linen fabric adding lightness to bed form.

Flowing texture of light solid oak referring to nature.
